

## **Gig Preparation, Performance, & Critique**

Good luck on your gig from LessonsThatRock.com!

### **PREPERATION:**

- Invite friends & family
- Change strings
- Adjust action (if necessary)
- Check intonation (if necessary)
- Tune guitar
- Polish guitar
- Pack all necessary items (See Basic Gig Checklist)

### **PERFORMANCE:**

- Play with confidence
- Don't get tunnel-vision

### **CRITIQUE:**

- Ask your invited guests for performance reviews and tips
- Analyze any audio or video recordings you might have
- Ask yourself the question "what could I have done better?"
- Apply your answers to the previous question to your next gig
